Deboss

Deboss decoration is perfect for products where subtle and high perceived value decoration are appropriate. Traditional on leather or simulated leather, a crisp deboss adds lasting value on items used everyday. Deboss is also appropriate for continuity programs when the same decoration is placed on several items in a collection.

Pricing

All catalog prices include a one location deboss where deboss is indicated on decoration guide.

- **Die Costs:** Minimum \$70.00(V) [USD]

To prevent degradation, we discard dies 13 months after last use
